Subject: Contact details of Portfolio Project Management

Date Released: 2 December 2009

Summary of request: The enquirer requested the contact details of the Head of Portfolio Project Management & Project managers in the whole organisation

Information released:

I should explain that any of the staff in Companies House can be designated as a Project Manager depending on the area of work affected and the type of expertise required. As in any large organisation there will be any number of projects running at any one time and these can run for long or short periods. I am unable to provide you with the names and contact details of the Project Managers in the organisation as this would be personal information that would be exempt under section 40 of the Freedom of Information Act 2000 as disclosure would directly contravene the data protection principles.

I can however, inform you that the Head of Portfolio Project Management is Mr Paul Auckbarally who can be contacted on the following email address:
